UF Faculty Senate Update Nov. 2019

- Parking – mobile app to give information on real-time space availability in garages (Garage 9 only for now but plans to expand)
- Two-factor authentication is encouraged for gatorlink log-ins
- Green Dot and other initiatives aimed at reducing sexual assault on campus
- Opening of La Casita and Institute of Black Culture
- New VP of student affairs starting in January
- Undergraduate applications are up 20% from last year

UF Campus Master Plan Briefing – 50-year plan

- Density in university east side of campus to improve productive collisions
- More pedestrian and bike friendly
- Data Science and Information Technology (engineering, medicine, pharmacy, informatics) building
- Maybe moving IFAS more to center of campus rather than outskirts (in time) along academic walk
 - Promote land-grant mission, centralized location will promote our interdisciplinary capacity
- Adding 1900 parking spaces in 4 garages on campus
